STAT

Thank you for your interest in and support of the Central Intelligence Agency and the Intelligence Community. According to your letter, you have had the opportunity to meet with some of the most knowledgeable individuals at CIA on Congressional Affairs. We hope the interviews helped you in your research.

Due to the official demands on their time, Director Casey and Deputy Director McMahon are unable to confer with you and have asked me to convey their regrets.

We are looking forward to reading your text. In looking at the outline, it appears to be a valuable study that is much needed and timely in today's world.

Sincerely,

  
Charles E. Wilson  
Chief, Public Affairs
